Student Chapter.

The IICHE-GVPCE(A) Student Chapter is functioning actively with highly energetic student members. Since three years, more than 200 students have enrolled themselves as IICHE Student Members enabling them to participate in various chemical engineering conferences/workshops in various premier institutes. IICHE Student Chapter is stretching its events beyond on-campus and hosted off-campus activities both in technical and societal grounds. Activities update can be viewed at www.iichegvpchem.org.

During the Academic year 2018-2019, a Governing Body has been formed, and since then the Student Chapter rose to new heights, hosting new and innovative events and enrolling more students into the Student Chapter.

To show the world it's Student Chapter, IICHE-GVPCE(A) Student Chapter in collaboration with Department of Chemical Engineering has started to issue newsletters.
