IICHE-GVPCE(A) STUDENT CHAPTER

NEWSLETTER

JULY 2020 -
SEPTEMBER 2020

Volume : 5
Issue No : 1

THE EDITION 5.1

From the IICHE-GVPCE(A)
Student Chapter.

The IICHE-GVPCE(A) Student Chapter is functioning actively with highly energetic student members. Since three years, more than 200 students have enrolled themselves as IICHE Student Members enabling them to participate in various chemical engineering conferences/workshops in various premier institutes . IICHE Student Chapter is stretching its events beyond on-campus and hosted off-campus activities both in technical and societal grounds. Activities update can be viewed at www.iichegvpchem.org.

During the Academic year 2018-2019, a Governing Body has been formed, and since then the Student Chapter rose to new heights, hosting new and innovative events and enrolling more students into the Student Chapter.

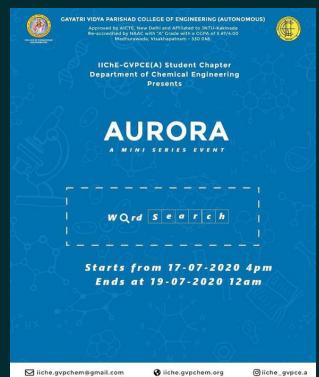

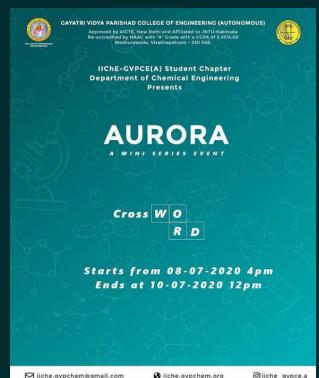

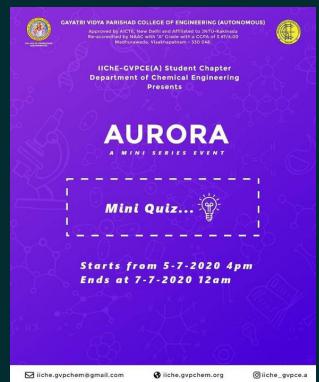

To show the world it's Student Chapter, IICHE-GVPCE(A) Student Chapter in collaboration with Department of Chemical Engineering has started to issue newsletters.

EVENTS

(2nd-19th)-07-2020 :AURORA

AURORA is an online mini series event, organized between 2nd and 19th of June 2020. This mini series event consists of five sub events namely: scramble, mini quiz, cross word, balance equation and word search. The objective of this event was to boost an individual's knowledge through games and puzzles. Students from various institutions have shown interest in participating in this event.

GAYATRI VIDYA PARISHAD COLLEGE OF ENGINEERING (AUTONOMOUS)
Approved by AICTE, New Delhi and Affiliated to JNTU-Kakinada
Re-accredited by NAAC with "A" Grade with a CGPA of 3.47/4.00
Madhurawada, Visakhapatnam - 530 048.

IICHE-GVPCE(A) Student Chapter
Department of Chemical Engineering
Presents

AURORA

A MINI SERIES EVENT

STARTS FROM 02/07/2020

There will be Hub of 5 events which will be active till 17/07/2020

- 1. Scramble R
- 2. Mini Quiz...
- 3. Cross W O R D
- 4. Balance ↔ Equation
- 5. W Q r d S e a r c h

EVENTS

(15-17)th-07-2020 :Tri Quiz Series-1

Tri quiz is a series event. And this is the first of the series. It mainly consists of 3 different rounds namely unit processes, unit operations and basic science .

Unit processes mainly consists of questions based on subjects chemical process calculations and chemical reaction engineering.

Unit operations also consists of questions based on subjects mechanical unit operations and mass transfer operations.

Science quiz is divided into 2 parts, the first part consists of questions based on basic chemistry and physics and the second is a video based questionnaire where in there is a video provided related to chemical engineering and 5 questions that follow below.

Unit processes and unit operations can be attempted by B. Tech students. Science quiz is exclusively for students of 11th and 12th, the main objective behind this is to test their skills and also making them aware of chemical engineering.

EVENTS

(12-13)th-09-2020 :BRAINE

BRAINE is an online event, organized on 12th and 13th of September 2020. BRAINE is a classic pair matching game, all you need to do is match the industrial equipment with its picture. When the game starts, all tiles are turned face down. The player then flips over two tiles, selecting them by clicking on them. If the two tiles are matched, they remain face up. If not, they are flipped face down again after a short delay.

Fig:Braine Interface
